Mr. Carter:

Department _____

Mr. Miller (American Airlines) Dallas called to advise that the special party left Chicago at 10:50 AM and should arrive here about 4:45 or 5:00 P.M. They will not stay in Fort Worth because of the weather conditions but ~~spend~~ a stop of 20 or 25 minutes will fly on to Monterey. If they spent the night here they probably would not be able to leave tomorrow because of flight conditions.

The personnel of the ship is the same with the exception of the Ambassador from Nicaragua is not abroad (Sacasa is his name); however a Mr. Bentley who is in Fort Worth representing the Rockefeller interest will board the plane here. The plane will arrive with 17 passengers and leave with 18. He has advised Mr. Hinners that Mr. Bently is to go from here.

Mr. Miller will leave Dallas about 2:30 and come on to Fort Worth and should you need further information, or rather if there is any change in this schedule he will communicate with you at the Club or Office.
