

February 8, 1940.

Mr. E. B. Germany, Chairman,  
State Democratic Executive Committee,  
Continental Building,  
Dallas, Texas.

Dear Mr. Germany:

Enclosed, herewith, you will find a letter from Harry Atkinson, President of the Harry Atkinson Advertising Agency, 155 East Ohio Street, Chicago, Ill, as well as a telegram, soliciting your Committee to establish the Garner headquarters during the Democratic Convention in the Sherman Hotel. Also enclosed you will find a copy of my reply.

They took excellent care of us in 1932. In my estimation, it is the kind of hotel in which to hold the Garner headquarters. The service is good, the prices are reasonable and everybody had a good time. Incidentally, they have a nice pent house on top of the hotel with some eight, nine or ten rooms and containing one big conference room which would be a fine headquarters for your committee. This, they turned over to us personally in 1932 and I am sure they will be glad to make the same arrangements this year.

I will appreciate it if you will take the matter up with Mrs. Driscoll and secure her cooperation. As I recall, she stopped at the Palmer House on the last Convention but I am sure she could find desirable, suitable rooms in the Sherman House and we could all be together.

Thanking you for your consideration and with best wishes, I am

Sincerely,

AGC:ED
