Mr. W. W. Silk,
Wichita Falls, Texas.

Dear Mr. Silk:

Your letter of the 21st., received, enclosing a sheet from Collier's Weekly regarding "Petticoat Politics," for which please accept my thanks. No doubt, the political pot will soon be boiling and we can look for a rather sensational campaign.

I note your inquiry regarding my judgement as to whether Moody or Davidson would receive the most votes. Personally, I hope Mr. Moody will receive enough votes in the primary to assure his election. We supported Lynch Davidson last year to the best of our ability and was sorry that he could not have won, meanwhile we think Mr. Moody is the logical man in the campaign this year and therefore we are supporting him.

With best wishes, I remain

Sincerely,

ACC.KM
