WATCH FOR NAVY OFFICER QUALIFICATION BLANKS:

The officer qualification rating blanks will be sent out next week. Faculty members did a fine conscientious job with these last term.

Your attention should be called to a few points.

First, try to disregard the candidate's grades (a hard thing for a teacher to do). Grades are very important and come into the general overall rating, but are used in addition to these blanks.

Another point to bear in mind is the confidential nature of the ratings. As far as is possible in our crowded offices trainees should not see the ratings given to others.

Kindly return the blanks to me through the inter-office mail by February 5th.

As for the future of the Navy program at T.C.U., as soon as anything definite is known every member of the Faculty will be informed immediately by a bulletin delivered by messenger.

Signed:

W. M. Winton
