

A REQUEST OF DEPARTMENT HEADS

All department heads who are carrying the responsibility of keeping petition sheets on their majors up to date should check these regularly, and when sending a student to the Registrar's Office at the beginning of the semester in which he is scheduled to complete all degree requirements, should complete the petition sheet up to the beginning of that semester. This will save a great deal of time in the Registrar's Office, for, if this responsibility is left to the registrar on each of these students, the load previously carried will not be lessened. Thanks!

" A MUSICAL INTERLUDE"

On December 3 the State Department of Education will conduct a number of auditions in our auditorium to discover talent for appearances with the Houston Symphony Orchestra, so if you hear some music coming from that direction, please remember this is only an interlude for portions of one day, word has come from Dean McCorkle.

S. W. Hutton, Registrar

SYMPHONY ORCHESTRA

The University Symphony Orchestra will play a concert at Will Rogers Auditorium on Tuesday evening, December 7. This is sponsored by the Junior Chamber of Commerce and the Council of Christian Church Women for the benefit of the Tarrant County Spastic Society. Admission will be \$1.20 and tickets will be on sale at the Music Department office. We will appreciate any announcements faculty members can make to classes with the request that if convenient those planning to attend purchase their tickets here in order to demonstrate to these sponsoring organizations the support of the campus.

THE IMPORTANCE OF ACCURACY

An accountant must necessarily follow the principle of accuracy. Anyone who has kept books in a bank is very painfully aware of this principle. The physician who is accurate in his diagnosis deserves highest commendation.

Student accounting on the University campus is also subject to the principle of accuracy. Accuracy in assigning grades, turning in grade reports, recording names, meeting schedules, noting section numbers, lining up the students program toward the desired degree. One inaccuracy on the part of a teacher, secretary, recorder leads to a series of inaccuracies involving loss of time, effort, patience.

Let the fellow who makes no mistakes "throw the first brick".
