General Roy Hoffman
1706 First National Bank Building
Oklahoma City, Oklahoma

Dear General Hoffman:

Inasmuch as Mr. Carter flew to Tulsa today to attend the funeral for Mr. Hugh Smith, he asked that I acknowledge for him your letter of October 25, and to tell you how delighted he is that you and Mrs. Hoffman have accepted for the ceremonies on November 4.

Enclosed you will find a highway map marked showing the route from Oklahoma City to Fort Worth, and a City map which has indicated with a green pencil the directions to Shady Oak Farm. In the event the weather is bad, may I suggest when you reach the city limits that you telephone Mr. Carter's office, 3-2301, as plans may be changed and the luncheon held elsewhere.

Yours very truly,

Secretary to A. G. Carter
