Mr. M. S. Myers,
Assistant Counselor, Cavalry,
Culver Military Academy,
Culver, Indiana.

Dear Mr. Myers:

Your letter of January 4 advising that you have been writing to Amon Junior at Oflag 9 A/Z, Germany, has been received.

The writer noticed in the last Culver alumni magazine that this address was given and immediately notified them that for 19 months Amon Junior has been at Oflag 64, Germany; so I am sure he will be glad to hear from you and this last address is the correct one as he was moved from Oflag 9 A/Z June a year ago.

Mr. Carter received a letter yesterday dated October 10 and he intimated that it would be at least late Spring before they could hope to be home. He seems to keep his chin up regardless of the many disappointments they have had and as long as he keeps his sense of humor and optimism, any physical ailment can be corrected. Any information you can give Amon about Culver and his classmates would be of great interest to him.

With best wishes, I am

Yours very truly,

Secy. to A. G. Carter.
