J. C. PYLE, SUPERINTENDENT

Sherman, Texas.

December 30, 1925.

Mr. Amon G. Carter,
Fort Worth, Texas.

Dear Sir:

If you will send a man to Sherman I think that you will be able to secure a great many subscriptions to the 'Star-Telegram and 'Fort Worth Record! Now is a very opportune time for this to be done.

Our people appreciate your position with reference to Sherman and Sherman affairs. They also are for Dan Moody and have nothing against A and M College.

With kindest regards, I am

Yours very truly,

Superintendent.
