

Tuesday -

My dear Mr. Carter -

Your lovely jasper came
like a breath of spring
sunshine - The Hotel
put down on ice & I said
there this A.M. - just as we

to Cleveland and Chicago.
We had a very happy week
with our two sons &
their families -

I was so happy to hear
our darling Susan was
alive - Heris hoping her

has strength and firm-
ness, courage to meet
every emergency. He is
one of the finest I have
known, firm and wise
I would to him -
My best wishes for you.

Most cordially -
Mary Seddon Eggleston
