March 12, 1943.

Dear Col. Carter,

My eye caught the item in this morning's paper telling that your son was missing in action.

Although it cannot do any good, I cannot help writing to you.

I have three sons in the service myself and that makes anything that touches the fate of men in the armed forces come very close to me. So I do want you to know that I am thinking of you in respect and in deepest sympathy.

Your friend,

Nathan Straus
