Question: Is it okay for City to turn the application over to C.A.A. so that they can take it on to Washington - Right away

① The C.A.A. local authorities are enthusiastic for helping in immediate program on Midway Furtwith airport

② C.A.A. can now turn over \$340,000

City can now use \$340,000

immediate 680,000

③ C.A.A. says they can furnish \$1,000,000 next year City will have left from bonds already voted \$700,000
\$2,000,000 plus 680,000 = \$2,680,000
