Headquarters, Missouri Military Academy,  
Mexico, Missouri.

Dear Captain Lumpkin:

Your letter of April 12 was received during Mr. Carter's absence from the State as well as that of the writer from the office, hence the delay in acknowledging it. Meanwhile, I am sure you have noticed from the press reports that the Russian Armies liberated Stalag III-A at Luckenwalde where Amon Junior was found after being moved from Oflag 64 at Schubin. In any event, it was nice of you to write Mr. Carter and I am sure that Amon Junior will be home in a few weeks.

With best wishes, I am

Yours very truly,

Secy. to A. G. Carter.
