Mr. Amon Carter  
Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Mr. Carter:

Heartiest congratulations to you and every member of your staff for one of the finest special editions of a newspaper I have ever seen. It is a credit not only to the Star-Telegram, but the whole state of Texas and the aircraft industry.

Incidentally, this special edition will, we hope, end the use of "bomber plant" for the new Consolidated Aircraft Corporation plant.

The day of victory is coming and Consolidated will manufacture more than bombers in Fort Worth.

Sincerely,
