May 4, 1945.

Mr. Arnon G. Carter,
Lt. Warth, Texas.

My dear Mr. Carter,
Congratulations on
the news of your son, as reported in
the Dallas paper yesterday.

I have had no word of my son yet,
except that Lt. Cecil, a Houston boy, who
escaped from the Aflag 64 group, says
that Thatcher was with Arnon Jr. and
Lt. Jones from here, when he saw them
last, about Feb. 1st, as they were being
marched into Germany.

Lt. Cecil also said that he saw you
in New York.

Any information you have that
might pertain to Thatcher - Lt. John
L. Valentine - please pass on to me.
I am very anxious.

Most sincerely,
Josephine Valentine
