Dear Mr. Carter:

I wish to thank you for the pecans which I have received. They have been opened and tested and certainly come up to full expectations. They are the best I ever tasted.

You and Will Rogers must have had a great day. I think he is the cleverest fellow I ever saw and I never fail to go and see him wherever he is playing in the theaters when I am in New York. He always gives something new and good. I enjoyed reading his comments on the Republican and Democratic Conventions held in Cleveland and New York last year, and also had the pleasure of listening to him at a dinner given by the Standard Oil Company of New Jersey. After he was through with his performance in the Follies, he was invited over to speak at the dinner. It was great. However, with all his ability, I do not think he has very much on you. Your ability as an entertainer has proven that.

I do not think Ma Ferguson will get very far with her proposition. When a person goes into court, he should go in with clean hands and I don't believe Ma and Jim have washed their hands for a long while.

I am hoping to see you in Los Angeles at the meeting of the American Petroleum Institute. I expect to be there.

Again thanking you for your consideration of me in this kind remembrance, and wishing you a Happy Christmas and a Prosperous New Year, I remain

Very truly yours,

JCD:W
