## T.C.U. BASEBALL SEASON OPENS

Varsity Defeats Add-Ran-Jarvis in Two Games by Scores of 6 to 1 and 11 to 0.

MANY STAR PLAYS. HEAVY HITTING OF THE LOCALS THE ONLY FEATURE.

On Friday and Saturday kinsmen clashed on the university campus, T. C. U. defeating Add-Ran-Jarvis in two games too one-sided to be very exciting. Yet, despite this one-sidedness, both sides played good ball.

In the first game, T. C. U. started the scoring early, getting two runs in the first inning. Thomas walked and was brought home by L. Drucke's home run. In the second, three more men circled the diamond, Perkins and Tyson reaching first on an error and fielder's choice, respectively, and being brought home by O. Drucke's homer. In the third, Procter was safe on Baxter's error, stole second and counted on Frizzell's double. This ended the scoring for T. C. U. In fact, after this inning Add-Ran-Jarvis came down from the clouds and played fast, errorless ball. Ward came to life and stacked the locals away in almost one, two, three order for the rest of the game, Procter being the only T. C. U. man to reach first after the third inning—and he was thrown out there later. On the other hand, only five Add-Ran-Jarvis boys reached first during the game, and only one of these, besides the man that scored reached second. The visitors at no time were in danger of scoring. Their lone tally came after two men were out in the ninth. Boyd walked, stole second and came home on the error on Perkins' hard-hit ball.

The records of the two teams are almost identical, save in the matter of scores, each side making three errors, each pitcher walking one man, both of whom scored, striking out

seven and allowing four hits. In the matter of star plays, however, our boys had the visitors bested. The catches of O. Drucke, Procter and Thomas were especially good. In length of hits, also, T. C. U. lead, for while those of Add-Ran-Jarvis were all singles, T. C. U. secured two home runs, a double and a single.

### The Game in Detail.

O. Drucke struck out, Thomas walked, stole second and scored on L. Drucke's home run after Procter had flied to center. This ended the scoring for this inning, "Hebe" going out third to first. Add-Ran-Jarvis went out in one, two, three order; Clark, Si to "Fuzzy," Boyd Baldwin unassisted; Perkins, foul fly to Drucke.

In the second inning, Baldwin fouled to Boyd Witt went to first on Ward's error, second on Perkins' error, was retired at third, pitcher to third baseman, Tyson reaching first on fielder's choice. O. Drucke then cleared the bases with a home run. Thomas closed the inning, going out, Clark to Snelson. Add-Ran-Jarvis again failed to reach first, goin out, Snelson fanned, Baxter third to first, Robertson fanned.

In the third, after Procter had been retired, L. Drucke drew a life on Baxter's error, stole second and came home on Frizzell's two-bagger. This, by the way, was the prettiest hit of the game, hitting the engine house on the fly. Without obstruction it would have been a homer. This ended the scoring, however, as neither Baldwin nor Witt could advance the runner.

Add-Ran-Jarvis went out; Snelson, fly to "Hebe," Jackson and Ward fanning.

In the fourth, Perkins fouled to Boyd, Tyson was hit by pitched ball, but went out attempting to steal second. O. Drucke went out on foul fly to catcher. For Add-Ran-Jarvis, Clark drove a red-hot liner to Tyson. It almost knocked him out of the box, but T. C. U.'s twirler hung to it. Boyd reached first on account of a dropped fly, but could not advance, Perkins and Shanley being retired by Procter and Frizzell. Boyd was the first Add-Ran-Jarvis man to reach first.

Thomas opened the fifth with a fly to Shanley. Procter secured a hit, but was nabbed a moment later, when Shanley secured L. Drucke's liner and threw to first, completing a double play. Add-Ran-Jarvis reached first again in this inning. Baxter went out, Ty to "Fuzz." Robertson slammed out a safe one; Snelson uncorked a miniature home run, of which Procter made a seeming impossible catch, and doubled Robertson at first.

In the sixth, Frizzell fanned, Baldwin was retired, Baxter to Snelson, and Witt struck out. In Add-Ran-Jarvis' half, Jackson hit a high foul, which O. Drucke secured, going behind the backstop to do so, and thereby making one of the most sensational plays ever pulled off on T. C. U. campus. Jackson hit a liner to Tommy, who happened to be playing back, and he also made a sensational catch, robbing Jackson of a clean hit. Clark closed the inning by striking out.

In the seventh, Perkins and Tyson were retired by the windmill route, and O. Drucke was cut off at first. Boyd opened the last half of this inning by a hit and was followed a moment later by Shanley. Baxter hit to Tyson, who caught Boyd at third.

### CHRISTIAN ENDEAVOR CONVENTION.

The District Christian Endeavor met in Waco Saturday, Sunday and today (Monday). About two hundred delegates were present. The convention convened Saturday night, where, after a short inspiration meeting, the address of welcome was delivered by Hon. Alva Bryan. Several delegates spoke in response.

Sunday, from their respective pulpits, the pastors of the Central Presbyterian, Second Presbyterian and Central Christian churches delivered the convention sermon, "Faithfulness a Scriptural Virtue." In the afternoon, besides other addresses, Miss Nona Boergmann and Professor Faris spoke to the assembly. Miss Boergmann's subject was, "I will Be Responsible—Why." Professor Faris spoke on "I Became Responsible; Did It Pay."

At 4:10 this afternoon Mr. Colby D. Hall, president of the State Endeavor, addresses the delegates.

Tonight the convention closes with an address by Mr. William Shaw, international secretary, and a reception to delegates in the parlors of the Y. M. C. A.

Mr. Shaw has a wide reputation as a speaker, and is a man of high rank in Endeavor work. If possible, all students of T. C. U. should hear his lecture this evening.

## T. C. U. TO MEET SOUTHWESTERN

In Intercollegiate Debate. Meet Will be Held In T. C. U. Chapel, May 8, 1908

It has just been announced that on the 8th of May representatives from Southwestern University and from Texas Christian University will meet in debate. Arrangements for this event have been under way for some time, but the first definite announcement of it was made a couple of days ago by Mr. Bloor, president of the Oratorical Association of T. C. U. The debate is to be held in our own chapel.

The question of debate is, Resolved, That within fourteen years from date, the Federal Government should own and control the railroads of the United States.

T. C. U. submitted the question; S. U. choose the negative. The representatives for the visitors are Mr. Keys and Mr. Reis; for the T. C. U. Mr. Bloor and Mr. Tomlinson. At the present time the judges have not been selected, but it is probable that they will be chosen from the Trinity University, Austin College and Texas University.

In the past the debates of the S. U. have made a fine record. Not only have they met all rivals in our own state, but they have extended their efforts widely outside of it. It is with pleasure that we meet such worthy opponents.

This debate with S. W. is our first inter-collegiate one. Although we have always had men capable of upholding the honor of T. C. U. in debate as has been demonstrated in many skillfully and hard fought local contests, yet, through some chance

of fortune we have never before met another university in such a contest.

Often has T. C. U. met S. W. in baseball and in oratory with success and joyfully would we have met her on the gridiron had she seen fit to put a football team in the field. This will be the first time that we have met her in debate and we have an opportunity of proving our strength in an entirely new field.

Mr. Bloor and Mr. Tomlinson have often appeared before us and we know their ability. What we have to do is to get behind them and support them as we have always done for our athletics. Get into the spirit of the thing and fight for it for all we are worth as we have done many a time on the football field. Make the chapel walls quiver with the mighty shout of old "Rip-Ram" an dwell win.

### FIRE STATION FOR NORTH WACO.

It will be of interest to T. C. U. people to know that a movement is on foot to establish a fire station in North Waco. This station has been needed for some years, but it required the recent fire to secure recognition of the fact from the city authorities.

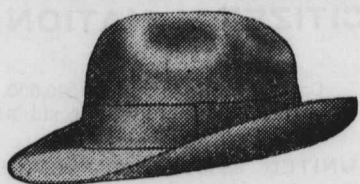

The T. C. U. Woman's Club served refreshments, including supper, Thursday from 4:30 to 8 P. M. in the vacant store building across from the campus. "Privileges" were a feature of the occasion. Quite a neat sum was realized, this going toward payment for the front walk, which the Woman's Club donated to the university last spring.

The Holt Company have offered a cup for the winner of a track meet to be held between Baylor and T. C. U. This cup will be competed for annually, the winner to hold it for one year. Now T. C. U. should have a track team. This is one of the three main divisions of inter-collegiate athletics, and no school that aspires to be great can afford to neglect any one of these. In the past T. C. U. has made spasmodic attempts to have a track team, but these have all failed. The time has come to get busy. We should not allow this matter to drop. You say we have no material, no coach, no supplies. How do you know we have no material. All boys are not playing baseball. It is true that the material is undeveloped, untrained, but earnest work would secure a start and interest in the movement would grow from year to year. It is also true that we would probably lost this year's meet, but the fact would help year's meet, but the effort would help nothing now we will seem just as weak next year. Then there is a monetary consideration. This meet could be held at comparatively little expense, and the receipts should range in the hundreds, and "every little bit helps." As for a coach, there are men in school who have done track work and who are fully competent to coach a team. Then next year the association could probably afford to hire a coach. This matter is of vital importance, fellows. Think about it; talk it, and do something.

## THE GLEE CLUB TAKES AN OUTING.

Last Saturday morning the T. C. U. Glee Club left home for its first outing. Arrangements had been made for two entertainments—one Saturday night at Meridian, and one Monday night at Cleburne. The club left Waco at 9:30 over the Texas Central to Morgan, and from thence to Meridian over the Sante Fe. After a very pleasant ride this jolly crowd reached its first stop about noon. The club was driven to the "Emerson Home," where the boys succeeded in showing their appreciation for a first-class dinner.

After dinner a number of the boys were taken to private homes, where they were hospitably entertained during their visit. Several citizens who could not take the boys to their homes entertained them at the hotel. The club wishes to express its thanks to the good people of Meridian for their entertainment and for the interest manifested in its work, and at the same time express a hope of returning at some future time.

On account of being advertised at Cleburne for the Sunday services of the Y. M. C. A. it became necessary for the club to leave Meridian about 4

# SANGER BROS.

A. M. It was barely daybreak when the club arrived at Cleburne. It was met by a committee from the Y. M. C. A. and taken to the rooms of the association, where the boys rested until the breakfast hour, when they were the guests of Secretary Clark and his associates.

Sunday was a busy day for the boys. They sang at four services and probably to more than fifteen hundred people. They sang well, and the people like their songs, as was proven by the good audience given Monday night.

It should be stated that our own Professor Cockrell was in demand as much as the club. He made four addresses during the day, and, in fact, Sunday, March 1, might have been called T. C. U. day in Cleburne. Professor Cockrell is held in high esteem by the church people of Cleburne, and his visits there have been of great benefit to the university.

Too much cannot be said in praise of the hospitality of the Cleburne people. They very generously entertained the members of the club in their homes, more homes being offered than we had boys. Every fellow declares he had the best home in Cleburne.

On Monday night the club was greeted by an appreciative audience. At the close of the program it was announced that the ladies had arranged to give the club an informal reception. This, of course, pleased the boys, and all linned up, and as far as could be observed every one stood the ordeal well.

This phase of hospitality came as a surprise, and was certainly a fitting climax with which to close a most interesting and pleasant visit.

We would like to name personally every one who contributed to the pleasure of the club, but neither time nor space will permit. However, we cannot refrain from mentioning the names of Mr. William Brewer and Secretary Clark of the Y. M. C. A. and his able assistants, all of whom did very much to make the visit of the club what it was, and without whose assistance the visit could not have been made. The club hopes to make another trip to Cleburne before the year closes.

## THE CONCERT AT CLEBURNE.

"The Texas Christian University Glee Club delighted its Sunday and

Monday audiences," were the opening words of an article in the Cleburne Morning Review for Tuesday. As a listener I can vouch for the truth of this statement. The Glee Club made friends in Cleburne for itself and for the university, and the writer hopes it will visit a number of our neighboring towns and cities during this school year.

The concert at Cleburne last Monday night was in every way a success. The audience was satisfactory in numbers and both appreciative and responsive. The boys sang in a manner to make me feel proud, and Professor Hamner seemed to feel "Glorious, o'er all the ills of life victorious." And that is the way he should have felt.

The concert was a success, too, because Miss Reeves was there. Miss Reeves read several selections, each of which was thoroughly enjoyed by every person in the house.

Attorney Bledsoe, a leading Cleburne citizen, said "Her reading from Shakespeare was as strong as I have ever heard. She is master of her art." I felt that this was true and, judging from the applause given her, the same feeling was in the heart of each of her auditors.

At the close of the concert a reception was tendered the visitors by the young people of Cleburne and refreshments were served.

May the Glee Club, Professor Hamner and Miss Reeves "live long and prosper," is the wish of this scribe.

E. R. C.

## WITH THE BRUSHES.

On Thursday the art department gave an impromptu farewell for Florence Young, who has returned to her home in New York. All the guests wrote illustrated train letters, and a general good time was indulged in, although all were sorry to part with so congenial a friend.

Miss Young presented the art room with a writing desk and The Brushes have provided themselves with a new chandelier and a burlap screen. That the appearance of the studios is continuing to improve.

Miss Jackson was in Holland over Saturday taking charge of the art class there.

Mrs. Mayfield has resumed her art studies, after a brief absence.

## ORATORICAL ASSOCIATION.

At a meeting of the Oratorical Association Wednesday afternoon action doing away with the preliminary to the state contest was taken and Stonewall Brown, who represented T. C. U. last year, was elected as the speaker in the April contest at Sherman.

The election of Mr. Brown assures a good standing in the contest for T. C. U., and the success that the speaker has had in previous contests and his remarkable ability as an orator gives a basis for a conjecture that the first honors are very apt to be given to him.

Messrs. B. H. Bloor and C. L. Greene were elected as delegates from T. C. U. to the meeting of the State Association at Sherman on April 17, the day of the contest. Mr. Bloor will deliver the T. C. U. toast at the banquet on the evening of the 16th.

## JOINT RECITAL.

The joint recital to be given by Miss Blackshear, reader, and Miss Barton, pianist, in University chapel Tuesday evening, March 10, promises to be of unusual interest. It has been the custom for several years to have at least one artist recital during the session, the artist being usually of national reputation. This year the artists are Texans who are already favorably known, and when their national reputations are won, we can know that Texas Christian University was among the first to recognize and herald their talents.

The tickets are 35 cents, 25 cents for students, and the proceeds are to go to the music hall improvement fund.

Everybody cordially invited.

**CLARK MULLICEN WINS.**

Friends of Clark Mullicen, who was here in 1905-1906, will be glad to know that he recently won the Skinner prize of \$50 in the oratorical contest at the State University. This also entitles him to represent that school in the inter-collegiate contest at Sherman. Among other things, "The Texan" says the following concerning him:

"Mr. Mullicen is a student of the Middle Law class, but has not entered any other public speaking contest till this year, which crowned his first efforts with a signal victory. Yet his reputation was not won in a night, for he brings to the university a reputation from Texas Christian University, where he was esteemed as one of the most genuinely deserving orators of its productions. In a series of contests at Waco he made his election as an orator sure and came within a point of being its representative orator in the inter-collegiate contest to which he now goes as our representative. If any faith may be put in magnetic personality, a powerful and tuneful voice, a rousing speech, a conscientious motive and patriotic desire to win, the students may count themselves on the road to retrieval and success at Sherman."

We ourselves, of course, reserving the highest honor for our representative, wish him all success.

**DEUTSCHER VEREIN.**

Friday night the Deutscher Verein met in the parlor of the Girls' Home. This was the first meeting since the holidays, but everybody present report having a good time.

The meeting was called to order by President Newley, and after the roll was called a splendid program was rendered. This consisted of:

A piano solo by Miss Wallace, a beautiful little piece which displayed the artist's skill in rendition of it. Then Mrs. Hunter sang a solo, "Die

Miss Florence Young has withdrawn from school and returned to her home in New York. This is the second year Miss Young has been in T. C. U., and as a consequence has won many friends who regret very much to see her go. For there's no one who can exactly fill the place of "Flip."

Didn't Dan umpire, though!

From all evidences, Thurman Allen is rapidly becoming "Christianized."

Miss Lucile Harwood is here on a visit to her brother Alex.

Miss Collie Wright is again in school after a week's visit to her home in Hamilton.

**SATURDAY NIGHT'S RECEPTION.**

Saturday night, in honor of our visitors from Thorpe Springs, an old-fashioned "soiree" was tendered the students of T. C. U. At 8 o'clock the doors of the Girls' Home were opened and congenial couples were soon scattered over the campus. Misses Wood and McCullor and L. C. Proctor were the committee for "introducing" the Add-Ran-Jarvis boys and any others who might be so bashful as to need this assistance. Thus engaged, time passed swiftly by, and it was with regret that the young people saw the lights "wink" and heard the bell that sounded "finis" to the evening's enjoyment. May we have many more such occasions is the wish of the entire student body.

**RELIGIOUS NOTES.**

The regular cabinet meeting of the Young Women's Christian Association was held Monday morning at 11 o'clock. The meeting was in the hands of the new president, Miss Mary Bain Spence, who conducted affairs in a very business-like manner. The chairman of each committee was present, and from their words it was evident that they are greatly interested in their special work. We feel sure that the association will move forward to great things during the present administration and will continue to uphold the high standard it has set for itself. We bespeak the hearty co-operation of the entire association for the new president and members of the cabinet.

Mr. A. O. Riall of Sherman preached two very helpful sermons for the university church Sunday morning and evening.

Mr. J. M. Bell of McKinney is to be the preacher for Sunday, March 8.

The membership committee of the Young Women's Christian Association served home-made cakes, pies and salad in McKinney hall of the Girls' Home last Monday afternoon. The various committees of the association serve some kind of refreshments every Monday afternoon. The proceeds of the sales are to go toward swelling the conference fund. They are hoping to be able to send two delegates to the conference in Cascade, Colo., this summer.

"Tot und der Madchen." This was sung in German and was enjoyed by everybody. After this the speaker of the evening was introduced—Dr. Meyers of the German Baptist Church of Waco. His speech was spoken wholly in German and was so plain that nearly all could catch a good part of it. He spoke on poets and poetry, and had some splendid illustrations. Dr. Meyers was educated in Rochester, N. Y., as a preacher, and we all believe him to be a good one. He invited all to attend his church in Waco when they wished to hear a strictly German service.

After Dr. Meyers' address refreshments were served and conversation allowed if all would talk in German, which everyone did.

This was the first meeting of the Deutscher Verein in which everything was in German and everybody got more real good from the use of the German than they would have otherwise.
