Dear Sir:

Your reply to Jim Furgerson when he requested your resignation &c reminds me of the Union soldier sitting on a Plat Form with both legs and both arms shot off durring the Civil War receiving contributions when a confederate soldier walked up and looked at him and placed a \$5.00 in his box. The union soldier said, "I see you wear a suit of Gray and as that is the largest contribution, I have ever received, I would like to know why you gave it?" He answered, "You are the first Yankee I ever saw trimmed up just to suit me". Your article is the first trimming up I have ever seen Jim get which just exactly suits. I am delighted with the Editorials which have followed. I hope you will keep up the good work. It just what is needed. The best way to "fight the devil is with fire". He has tried to assisnate the character of evry man of any ability and influence who is against him ever since he entered public life.

I am a Superannuted preacher of the North Texas Conf. and have an Office in the Bradford Drug Store at Poly, 3104 Ave F. I was 8 years Chaplain of the State Reformatory, now the State Training School, and you see that I naturally watch State politices.
Very truly

Geo. H. Boyd
