Dear Mrs. Deakins:-

Ever so many thanks for your very nice letter of March 17th. I am, indeed, sorry to hear that Mr. Carter has had such a long siege of illness, and I hope that now he is feeling quite himself again. Do give him my very best wishes and please don't bother him with our request until he is entirely well.

I am sorry, too, to learn that you have been under the weather and I trust you are feeling much better.

I agree with you that Mr. Carter can give us a most interesting story, so we are delighted that he is willing to cooperate in this project. His contribution will be a real addition to the Roosevelt collection.

I often think of our wonderful visits to Fort Worth and the great kindness and warm hospitality shown to us by Mr. Carter and you.

With kindest regards,

Always sincerely,

Grace G. Tully
