Fort Worth, Texas.

Dear Mr. Carter:

I am sending under separate cover, as per your request, three sets of the forms which I had made for the newspaper and wire services the day of the Mr. Will Rogers funeral service.

The sets include:

1. The order of the services.
2. The list of invited guests.
3. The names of those sending floral tributes and a description of the pieces.
4. Dr. J. Whitcomb Brougner's remarks (these are exact - certain changes were made in the original speech but I have had them changed).

If I can be of any further service to you please do not hesitate to call upon me at any time.

Very truly yours,
