

October 31, 1944.

Mr. R. C. White, V. P.,
Louisville Cooperage Company,
Monroe, Louisiana.

Dear Mr. White:

Upon returning to the office after a few days' absence, I found your letter of October 24, as well as your Secretary's letter of October 27, enclosing copies of letters from your son dated August 13th and 20th which are very interesting and shall be brought to Mr. Carter's attention when he returns to the city.

You might be interested in the article enclosed herewith which appeared in the Sunday Star-Telegram covering an interview with Colonel Drake, who has just been repatriated from Oflag 64.

We have heard nothing further from Amon Junior since my card of August 24.

With best wishes, I am

Yours very truly,

Secy. to A. G. Carter.
