Fort Worth, Texas

Dear Mr. Carter:

May I acknowledge your kind letter of April 30 and to say that it was Convair's pleasure and privilege to support you and your associates in assisting in the opening of Amon Carter Field.

It is gratifying to us to know that Loyd Turner did do a competent and satisfactory job for you. In all sincerity may I say that we considered it a great privilege to have been called upon to assist you in the outstanding job that you as an individual have done in bringing this wonderful airport into being for the benefit of this community.

I trust that you are rapidly recuperating, and that if there is any further service we can be to you at any time you will not hesitate to call upon us.

With kindest personal regards, I am

Cordially yours,

/s/ AUGUST C. ESENWEIN
