Fort Worth, Texas.

Dear Madam:

This is to advise you that the package Mr. Carter was sending from New York has arrived and is in the storage rooms. As he requested, we have not opened it and will await a word from you what the disposition is to be.

The package came several days after Mrs. Rogers was here. At that time she informed us Mr. Carter was in England.

Cordially Yours,

*Paula McSpadden Love*
