July 2, 1943

Mr. Amon G. Carter, President
Fort Worth Star-Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

Your hospitality is unending. Many thanks.

The third paragraph of your letter about your son is so interesting that I am taking the liberty of circulating a copy of that paragraph to my associates on this Board.

Again, thank you for all your kindnesses.

Faithfully,

A handwritten signature in cursive script, reading "Oswald Ryan".
