

AMERICAN AIRLINES, INC.
NEW YORK MUNICIPAL AIRPORT
NEW YORK, N. Y.

Operations Manager
Supervisor of Stations

March 6, 1941

Vice President - Operations

American Airlines Sign, Fort Worth Ticket Counter

Mr. Carter feels that the Fort Worth ticket counter sign is not very good. I would request that you have Mr. Ridley or the Station Manager contact him and get specific ideas and promptly have a sign installed meeting his suggestions.

This letter will constitute advance authority for the expenditure, and a formal authorization should follow when the cost is determined. You can make such disposition of the other sign as you see fit.
