

Dear Father! - Did you  
know yesterday. I think I  
forgot - to say anything  
about the T. S. home. I am  
very sorry the Aunt is got  
the school. Seems like  
the best plan would be  
just to let it remain  
shut up until some  
one wants it bad  
enough to pay \$15 or  
\$20 a month for it - &  
with this for the  
insurance & repairs. I

am, afraid it would  
be impossible to get  
any one to keep up  
repairs + pay insurance,  
they would agree to, but  
would not likely do it.  
Yes I think we should  
at least reserve one room  
up stairs. I wish it  
were possible for us  
all to meet there over  
a year. If it were I  
think it would be best  
for us all anyway to  
keep up the place &  
keep one in it. Let  
us talk about it more.
