C.O. said the mill would

Be resting for a few days

So we would be off for a

While. Of course we we

Know the reason and he

Knows we know. Time

Passes very slowly for

Page 35

Us. I spent the day reading, writing, washing clothes, Wandering around, talking About when we're leaving Etc etc. Everyone knows Its all over but the excitement is yet to come, I Believe. We are still in the Same place with same guard same food and still confined as yet. Every one asks the others their opinions as to this or that. Some are making plans, remaking plans, changing plans all the time.
