Dear station, no per 10/4/72

Greetings Grace,

My apology for not writing. Thank you for the book which I'm reading now and the subscription.

I enjoyed reading your book "Saul Sister". After reading it, it almost seems I have been there and makes me feel glad and lucky I'm an Indian.

We are anxious to seeing you again. Mather asked about you & wanted me to write to you. I told her about "Saul Sister," & she cried. Just to see you ^{know} I got the little bag from The

bus station, no problems.

My mother is going to
have a singing, no definite
date, hope you will be here
then.

We will be looking for-
ward to seeing you soon.

Your sister
Bess
