

P. S. I was very glad to
hear that Grand Father
was getting better I have some
hope now that I will get to
see him again though from
The tone of your letters when
I was at winter quarters I expect-
ed the next letter to hear of his
death. The boys that are not
dead are all well. Jasper Bowden
is dead he died with the measles
Pete has got back to camp fat
and hearty. Ben ~~H~~ Kennedy
was getting well the last time
I heard from him.

I knew all about Gay being
wounded and Andrews death
before I received your letter. Gay is
in Whartons Regt. Pete sends
his respects to you.

I have nothing more to write
